Family Ministry

I would like to thank everyone who came to assemble Thanksgiving baskets on Monday. We had over 100 people who worked together to put over 110 baskets together. Thank you for your time, effort and your servant attitude. A special thanks to **Johnny Garrison** and his crew for all of their help and to **Amy Neal** for all of her hard work behind the scene. Great things will continue to happen as we all use our talents to serve God.

Revolutionary Parenting - This new parenting class is meeting on Wednesday evenings at 7:00pm in building C.

As parents our deepest desire is to raise children who succeed in life. This is also our greatest challenge. How can we raise children who will love and serve God as adults? So whether you're the parent of a newborn, a teenager, or any age in between, please come be a part of this class and share a lasting legacy of faith with your children. **This is a great opportunity to invite someone to join you!**

"Single Parent Class"- has been formed for all single parents who are currently raising their children and will be meeting on **Sunday mornings at 9:45am in my office.**

"Starting Point" Bible Study

Each **Monday at 8 pm**, we will be having a Bible study over at the House. This will be focused on going "back to the basics" of Scripture, who Jesus was and is, the Christian faith and the Church. Many times when we begin coming to church we can feel like we've walked into the middle of a conversation and are trying to catch up. This study is designed to help you do just that. If you are new to the faith or still just scoping it out, this will help you to get a good sense of the foundation that we build everything else on. If you have grown up in the Church, this will be a great opportunity to refresh and remind yourself about these things, as well as help everyone by bringing your own experience and perspective to the conversation. Please make plans to be there and *bring a friend!*

Wednesday Bible Class

Due to the Thanksgiving holiday, we will not be having our regular midweek Bible class. Instead, we will be joining the rest of the congregation for a devotional in the auditorium this Wednesday at 7 pm.

Christmas Party

The Singles Christmas Party will be coming up in only a few weeks! The date we are looking at is Saturday, Dec. 12, so mark your calendars. We will be doing a progressive dinner once again this year. It should be lots of fun!. More details will be coming soon...

College Ministry

As we are building this ministry, we will need the help of *every* college student and college age person in our church. So, if that is you, please come get involved and let me know what you would like to see in *your* college ministry...
