**KINGDOM  
 KARL JONES  
 BUILDING**

If all has gone to plan, this week finds Jayne and myself in northern Arizona, heading for Phoenix, and home by the end of the week. We are thankful for the time to be away and enjoy a break, and I appreciate those who filled in and took care of my responsibilities. My thanks goes to **Kyle Brewer** and **Hutt Hutson** for preaching this last Sunday.

This week please remember **Scott Stalkfleet**, as he has asked for your prayers. Scott will be encourage by your prayers and strengthen through God's grace.

Our next Summer Speaker (August 4th) will be **Keith Maloney**, son of our **Jack** and **Winnie Maloney**. Keith preaches for the church in Allen and is doing a great work serving that church, and he always brings an inspirational message. Don't miss being here on Wednesday nights.

More good news from the Hispanic church plant at the former Rosemont congregation in Ft. Worth. They have had 48 baptisms in the last 16 months and just recently finished their VBS.

This effort has been so successful, plans are now being made to duplicate this in Houston. A family has been selected and will move to Ft. Worth to learn from the work being done in Ft. Worth. There was a financial need to bring this family in and provide for their initial living expenses and we are pleased to be able to share in supplying that need. \$2,000 dollars has been sent

**Sept. 12-13th**—"Retooled and Refueled" Seminar with Steve Diggs

## FAMILY MISSION TRIP 2010

Foster's Home for Children  
 in Stephenville

Saturday, August 28, 2010

We have been asked to provided all of the kitchen supplies for one of three cottages that the Foster's Home in Stephenville is building this summer. We have set up a registry through Target in Burleson, though any Target in the Dallas/Ft. Worth area will have this information. You can pick up a copy of the registry in the foyer or you can access it through the Target Gift Registry across from

Customer Service. Go to TargetLists:

First Name: Burleson

Last Name: Church of Christ

We will also have a work day on Aug. 28th. Half of the group will work on service projects and the other half will work with the children doing crafts and games. We will be cooking hamburgers and hotdogs for a lunch together with the families and children at the Home.

Sign up sheets are in the foyer, please consider being a part of this Family Mission Trip, whether it is providing items for the kitchen, going to Stephenville for the work day, or hopefully... both!
