

TEACHER WORKROOM CATALOG

Categories of Visual Aids:

Activity Sheets – These include worksheets, puzzles, games, and coloring sheets that relate to the Bible or application story located in the file cabinet with Jesus topics in notebooks on the bookshelves.

Books – Hard and soft cover Bible story or application story books located in the bookshelves. They are denoted in the catalog with the letters “**Bk**” at the end of each title.

Flipbooks – Includes Bible story cartoon books, Big books, and Bible story or application story books that have been made into flipbooks. They are located in the open file bin or hanging on the wall. Big books and oversize flipbooks are denoted with the letters “**BFB**”, and regular size flipbooks are denoted with the letters “**FB**”.

Filmstrips/Video – These include Canon filmstrips (located on top of the file cabinet), Stori Strips (located in the file cabinet) individual filmstrips (located in the case on the bookshelves), slides (located on the bookshelves), and videos (located on the bookshelves). They are identified by type at the end of each title (Canon and Stori Strips may be abbreviated as needed).

Teaching Pictures – Large, colorful pictures that depict the Bible story (located in the file cabinet).

Misc. – Includes felt figures (located in the felt file cabinet), transparencies (located in the file cabinet), bulletin board pictures (located on the wall), maps, games (located in file cabinet), puzzles (located in the bookshelves), and teacher aid books that give patterns for the topic (located mainly in the round standing file with some located on the bookshelves).

Teacher Aids – Not listed in the catalog are teacher aid books located mainly in the round standing file with some located on the bookshelves. These books provide awards/certificates, activities, attendance charts, 'bulletin boards, crafts, games, learning centers, patterns, songs, and visuals.
